

Ratio	Revision note	Date	Signature	Checked

Technical data:	
standard water inlet	253
operation temperature	357
conditions temperature	387
condensing temperature	-177
evaporative temperature	
refrigerant capacity	4,6784Kcal/h
refrigerant capacity	54.4kw
refrigerant	R404A
ice production capacity	8T/24h-
power	4/5V(50Hz)3Ph
installation power	33KW
unit weight	about 12T
running weight	about 23T
