

### Technical Parameters

Ambient temperature	33°C
Water inlet temperature	25°C
Condensing temperature	45°C
Evaporative temperature	-20°C
Ice outlet temperature	-1°C
Necessary refrigeration capacity	5.11kw
Compressor refrigeration capacity	6.5kw
Compressor installation power	3kw
Condenser heat extraction	10.3kw
Ice production capacity	117/24hr
Operating weight	About 1.2T
Refrigerant	R22/R404a
Power supply	380-440V/3P/50Hz
